

2019 Adopted Millage Investment Guidelines

Highlights

1. Investment *categories* instead of *percentages*
 - Capital Projects
 - Pool Operations
 - Park Operations
 - Recreational Support
2. Foundation of GOF support
3. Ensuring equity guides all investments
4. Guidelines reviewed every five years

Proposed 2020 Amendments

- Adds clarifying language prioritizing other sources of funding for acquisitions, while maintaining option to use millage as grant match
- Revises Maintenance of Effort method of calculation to match 2013 method to more closely track with current year budget circumstances
